Such checks shall be payable without separate vouchers or receipts except in any case in which the Secretary may consider a voucher necessary for the protection of the Government. Such checks shall be transmitted by mail to the payee thereof at the payee's last known address and, if the payee has moved and filed a regular change of address notice with the United States Postal Service, shall be forwarded to the payee. The envelope or cover of each such checks shall bear on the face thereof the following notice: “POSTMASTER: PLEASE FORWARD if addressee has moved and filed a regular change-of-address notice. If addressee is deceased, return the letter with date of death, if known.”

(b) Postmasters, delivery clerks, letter carriers, and all other postal employees are prohibited from delivering any mail addressed by the United States and containing any such check to any person whomsoever if such person has died or in the case of a surviving spouse, if the postal employee believes that the surviving spouse has remarried (unless the mail is addressed to the surviving spouse in the name the surviving spouse has acquired by the remarriage). The preceding sentence shall apply in the case of checks in payment of benefits other than pension, compensation, dependency and indemnity compensation, and insurance, only insofar as the Secretary deems it necessary to protect the United States against loss.

(e) Whenever the first day of any calendar month falls on a Saturday, Sunday, or legal public holiday (as defined in section 6103 of title 5), the Secretary shall, to the maximum extent practicable, certify benefit payments for such month in such a way that such payments will be delivered by mail, or transmitted for credit to the payee's account pursuant to subsection (d) of this section, on the Friday immediately preceding such Saturday or Sunday, or in the case of a legal holiday, the weekday (other than Saturday) immediately preceding such legal public holiday, notwithstanding that such delivery or transmission of such payments is made in the same calendar month for which such payments are issued.

(f)(1) In the case of a payee who does not have a mailing address, payments of monetary benefits under laws administered by the Secretary shall be delivered under an appropriate method prescribed pursuant to paragraph (2) of this subsection.

(2) The Secretary shall prescribe an appropriate method or methods for the delivery of payments of monetary benefits under laws administered by the Secretary in cases described in paragraph (1) of this subsection. § 5301. Nonassignability and exempt status of benefits

(a) Payments of benefits due or to become due under any law administered by the Secretary shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to claims of the United States arising under such laws nor shall the exemption therein contained as to taxation extend to any property purchased in part or wholly out of such payments. The provisions of this section shall not be construed to prohibit the assignment of insurance otherwise authorized under chapter 19 of this title, or of servicemen's indemnity. For the purposes of this subsection, in any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee's address for the purpose of receiving a benefit check and has also executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(b) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Secretary and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or the beneficiary's estate; or (2) any beneficiary or the beneficiary's estate except amounts due the United States by such beneficiary or the beneficiary's estate by reason of overpayments or illegal payments made under such laws to such beneficiary or the beneficiary's estate or to the beneficiary's dependents as such. If the benefits referred to in the preceding sentence are

insurance payable by reason of yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance issued by the United States, the exemption provided in this section shall not apply to indebtedness existing against the particular insurance contract upon the maturity of which the claim is based, whether such indebtedness is in the form of liens to secure unpaid premiums or loans, or interest on such premiums or loans, or indebtedness arising from overpayments of dividends, refunds, loans, or other insurance benefits.

(c)(1) Notwithstanding any other provision of this section, the Secretary may, after receiving a request under paragraph (2) of this subsection relating to a veteran, collect by offset of any compensation or pension payable to the veteran under laws administered by the Secretary the uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan prescribed in chapter 73 of title 10.

(2) If the Secretary concerned (as defined in section 101(5) of title 37) has tried under section 3711(a) of title 31 to collect an amount described in paragraph (1) of this subsection in the case of any veteran, has been unable to collect such amount, and has determined that the uncollected portion of such amount is not collectible from amounts payable by that Secretary to the veteran or that the veteran is not receiving any payment from that Secretary, that Secretary may request the Secretary to make collections in the case of such veteran as authorized in paragraph (1) of this subsection.

(3)(A) A collection authorized by paragraph (1) of this subsection shall be conducted in accordance with the procedures prescribed in section 3716 of title 31 for administrative offset collections made after attempts to collect claims under section 3711(a) of such title.

(B) For the purposes of subparagraph (A) of this paragraph, as used in the second sentence of section 3716(a) of title 31—

(i) the term "records of the agency" shall be considered to refer to the records of the department of the Secretary concerned; and

(ii) the term "agency" in clauses (3) and (4) shall be considered to refer to such department.

(4) Funds collected under this subsection shall be credited to the Department of Defense Military Retirement Fund under chapter 74 of title 10 or to the Retired Pay Account of the Coast Guard, as appropriate.

(d) Notwithstanding subsection (a) of this section, payments of benefits under laws administered by the Secretary shall not be exempt from levy under subchapter D of chapter 64 of the Internal Revenue Code of 1986 (26 U.S.C. 6331 et seq.).

(e) In the case of a person who—

(1) has been determined to be eligible to receive pension or compensation under laws administered by the Secretary but for the receipt by such person of pay pursuant to any provision of law providing retired or retirement pay to members or former members of the Armed Forces or commissioned officers of the National Oceanic and Atmospheric Administration or of the Public Health Service; and

(2) files a waiver of such pay in accordance with section 5305 of this title in the amount of such pension or compensation before the end of the one-year period beginning on the date such person is notified by the Secretary of such person's eligibility for such pension or compensation,

the retired or retirement pay of such person shall be exempt from taxation, as provided in subsection (a) of this section, in an amount equal to the amount of pension or compensation which would have been paid to such person but for the receipt by such person of such pay.

§5302. Waiver of recovery of claims by the United States

(a) There shall be no recovery of payments or overpayments (or any interest thereon) of any benefits under any of the laws administered by the Secretary whenever the Secretary determines that recovery would be against equity and good conscience, if an application for relief is made within 180 days from the date of notification of the indebtedness by the Secretary to the payee, or within such longer period as the Secretary determines is reasonable in a case in which the payee demonstrates to the satisfaction of the Secretary that such notification was not actually received by such payee within a reasonable period after such date. The Secretary shall include in the notification to the payee a statement of the right of the payee to submit an application for a waiver under this subsection and a description of the procedures for submitting the application.

The Secretary shall include in the notification a statement of the right of the veteran to submit an application for a waiver under this subsection and a description of the procedures for submitting the application.

§ 5303. Certain bars to benefits

(a) The discharge or dismissal by reason of the sentence of a general court-martial of any person from the Armed Forces, or the discharge of any such person on the ground that such person was a conscientious objector who refused to perform military duty or refused to wear the uniform or otherwise to comply with lawful orders of competent military authority, or as a deserter, or on the basis of an absence without authority from active duty for a continuous period of at least one hundred and eighty days if such person was discharged under conditions other than honorable unless such person demonstrates to the satisfaction of the Secretary that there are compelling circumstances to warrant such prolonged unauthorized absence, or of an officer by the acceptance of such officer's resignation for the good of the service, or (except as provided in subsection (c)) the discharge of any individual during a period of hostilities as an alien, shall bar all rights of such person under laws administered by the Secretary based upon the period of service from which discharged or dismissed, notwithstanding any action subsequent to the date of such discharge by a board established pursuant to section 1553 of title 10.

(b) Notwithstanding subsection (a), if it is established to the satisfaction of the Secretary that, at the time of the commission of an offense leading to a person's court-martial, discharge, or resignation, that person was insane, such person shall not be precluded from benefits under laws administered by the Secretary based upon the period of service from which such person was separated.

(c) Subsection (a) shall not apply to any alien whose service was honest and faithful, and who was not discharged on the individual's own application or solicitation as an alien. No individual shall be considered as having been discharged on the individual's own application or solicitation as an alien in the absence of affirmative evidence establishing that the individual was so discharged.

(d) This section shall not apply to any war-risk insurance, Government (converted) or National Service Life Insurance policy.

(e)(1) Notwithstanding any other provision of law, (A) no benefits under laws administered by the Secretary shall be provided, as a result of a change in or new issuance of a discharge under section 1553 of title 10, except upon a case-by-case review by the board of review concerned, subject to review by the Secretary concerned, under such section, of all the evidence and factors in each case under published uniform standards (which shall be historically consistent with criteria for determining honorable service and shall not include any criterion for automatically granting or denying such change or issuance) and procedures generally applicable to all persons administratively discharged or released from active military, naval, or air service under other than honorable conditions; and (B) any such person shall be afforded an opportunity to apply for such review under such section 1553 for a period of time terminating not less than one year after the date on which such uniform standards and procedures are promulgated and published.

(2) Notwithstanding any other provision of law—

(A) no person discharged or released from active military, naval, or air service under other than honorable conditions who has been awarded a general or honorable discharge under revised standards for the review of discharges, (i) as implemented by the President's directive of January 19, 1977, initiating further action with respect to the President's Proclamation 4313 of September 16, 1974, (ii) as implemented on or after April 5, 1977, under the Department of Defense's special discharge review program, or (iii) as implemented subsequent to April 5, 1977, and not made applicable to all persons administratively discharged or released from active military, naval, or air service under other than honorable conditions, shall be entitled to benefits under laws administered by the Secretary except upon a determination, based on a case-by-case review, under standards (meeting the requirements of paragraph (1) of this subsection) applied by the board of review concerned under section 1553 of title 10, subject to review by the Secretary concerned, that such person would be awarded an upgraded discharge under such standards; and

(B) such determination shall be made by such board (i) on an expedited basis after notification by the Department to the Secretary concerned that such person has received, is in receipt of, or has applied for such benefits or after a written request is made by such person or such determination, (ii) on its own initiative before October 9, 1978, in any case where a general or honorable discharge has been awarded before October 9, 1977, under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph, or (iii) on its own initiative at the time a general or honorable discharge is so awarded in any case where a general or honorable discharge is awarded after October 8, 1977.

If such board makes a preliminary determination that such person would not have been awarded an upgraded discharge under standards meeting the requirements of paragraph (1) of

this subsection, such person shall be entitled to an appearance before the board, as provided for in section 1553(c) of title 10, prior to a final determination on such question and shall be given written notice by the board of such preliminary determination and of the right to such appearance. The Secretary shall, as soon as administratively feasible, notify the appropriate board of review of the receipt of benefits under laws administered by the Secretary, or of the application for such benefits, by any person awarded an upgraded discharge under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph with respect to whom a favorable determination has not been made under this paragraph.

§ 5502. Payments to and supervision of fiduciaries

(a)(1) Where it appears to the Secretary that the interest of the beneficiary would be served thereby, payment of benefits under any law administered by the Secretary may be made directly to the beneficiary or to a relative or some other person for the use and benefit of the beneficiary, regardless of any legal disability on the part of the beneficiary. Where, in the opinion of the Secretary, any fiduciary receiving funds on behalf of a Department beneficiary is acting in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the beneficiaries, the Secretary may refuse to make future payments in such cases as the Secretary may deem proper.

(2) In a case in which the Secretary determines that a commission is necessary in order to obtain the services of a fiduciary in the best interests of a beneficiary, the Secretary may authorize a fiduciary appointed by the Secretary to obtain from the beneficiary's estate a reasonable commission for fiduciary services rendered, but the commission for any year may not exceed 4 percent of the monetary benefits under laws administered by the Secretary paid on behalf of the beneficiary to the fiduciary during such year. A commission may not be authorized for a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services on behalf of the beneficiary.

(b) Whenever it appears that any guardian, curator, conservator, or other person, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such guardian, curator, conservator, or other person or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may appear, by the Secretary's authorized attorney, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Secretary, in the Secretary's discretion, may suspend payments to any such guardian, curator, conservator, or other person who shall neglect or refuse, after reasonable notice, to render an account to the

Secretary from time to time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary's duly authorized attorney in any court as an interested party in any litigation instituted by the Secretary or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable under laws administered by the Secretary or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such benefits by such fiduciaries, or in connection with any other court proceeding hereby authorized, when such payment is authorized by the Secretary.

(d) All or any part of any benefits the payment of which is suspended or withheld under this section may, in the discretion of the Secretary, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is a patient nor apportioned to the veteran's dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Secretary for the benefit of such beneficiary or the beneficiary's dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to the beneficiary if the beneficiary recovers and is found competent, or if a minor, attains majority, or otherwise to the beneficiary's guardian, curator, or conservator, or, in the event of the beneficiary's death, to the beneficiary's personal representative, except as otherwise provided by law; however, payment will not be made to the beneficiary's personal representative if, under the law of the beneficiary's last legal residence, the beneficiary's estate would escheat to the State. In the event of the death of a mentally incompetent or insane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. If any balance remains, such balance shall be deposited to the credit of the applicable current appropriation; except that there

may be paid only so much of such balance as may be necessary to reimburse a person (other than a political subdivision of the United States) who bore the expenses of last sickness or burial of the veteran for such expenses. No payment shall be made under the two preceding sentences of this subsection unless claim therefor is filed with the Secretary within five years after the death of the veteran, except that, if any person so entitled under said two sentences is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(e) Any funds in the hands of a fiduciary appointed by a State court or the Secretary derived from benefits payable under laws administered by the Secretary, which under the law of the State wherein the beneficiary had last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such fiduciary, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Department, and shall be deposited to the credit of the applicable revolving fund, trust fund, or appropriation.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 3501 of this title.

§ 5503. Hospitalized veterans and estates of incompetent institutionalized veterans

(a)(1)(A) Where any veteran having neither spouse nor child is being furnished domiciliary care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(B) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished nursing home care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care. Effective through September 30, 1997, any amount in excess of \$90 per month to which the veteran would be entitled but for the application of the preceding sentence shall be deposited in a revolving fund at the Department medical facility which furnished the veteran nursing care, and such amount shall be available for obligation without fiscal year limitation to help defray operating expenses of that facility.

(C) No pension in excess of \$90 per month shall be paid to or for a veteran having neither spouse nor child for any period after the month in which such veteran is readmitted for care described in subparagraph (A) or (B) of this paragraph and furnished by the Department if such veteran is readmitted within six months of a period of care in connection with which pension was reduced pursuant to subparagraph (A) or (B) of this paragraph.

(D) In the case of a veteran being furnished nursing home care by the Department and with

respect to whom subparagraph (B) of this paragraph requires a reduction in pension, such reduction shall not be made for a period of up to three additional calendar months after the last day of the third month referred to in such subparagraph if the Secretary determines that the primary purpose for the furnishing of such care during such additional period is for the Department to provide such veteran with a prescribed program of rehabilitation services, under chapter 17 of this title, designed to restore such veteran's ability to function within such veteran's family and community. If the Secretary determines that it is necessary, after such period, for the veteran to continue such program of rehabilitation services in order to achieve the purposes of such program and that the primary purpose of furnishing nursing home care to the veteran continues to be the provision of such program to the veteran, the reduction in pension required by subparagraph (B) of this paragraph shall not be made for the number of calendar months that the Secretary determines is necessary for the veteran to achieve the purposes of such program.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a spouse but whose pension is payable under section 1521(b) of this title. In such a case, the Secretary may apportion and pay to the spouse, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to the veteran if pension were payable under section 1521(c) of this title.

(b)(1)(A) In any case in which a veteran having neither spouse nor child is being furnished hospital treatment or institutional or domiciliary care without charge or otherwise by the United States, or any political subdivision thereof, is rated by the Secretary in accordance with regulations as being incompetent, and the veteran's estate (excluding the value of the veteran's home unless there is no reasonable likelihood that the veteran will again reside in such home), from any source equals or exceeds \$1,500, further payments of pension, compensation, or emergency officers' retirement pay shall not be made until the estate is reduced to \$500.

(B) The amount which would be payable but for this paragraph shall be paid to the veteran in a lump sum; however, no payment of a lump sum herein authorized shall be made to the veteran until after the expiration of six months following a finding of competency and in the event of the veterans' death before payment of such lump sum no part thereof shall be payable.

(C) The Secretary may waive the discontinuance under this paragraph of payments to a veteran with respect to not more than 60 days of care of the veteran during any calendar year if the Secretary determines that the waiver is necessary in order to avoid a hardship for the veteran. Any such waiver shall be made pursuant to regulations which the Secretary shall prescribe.

(2) Where any benefit is discontinued by reason of paragraph (1) of this subsection the Secretary may nevertheless apportion and pay to the dependent parents of the veteran on the basis of need all or any part of the benefit which

would otherwise be payable to or for such incompetent veteran. Paragraph (1) of this subsection shall not prevent the payment, out of any remaining amounts discontinued under that paragraph, on account of any veteran of so much of the veteran's pension, compensation, or retirement pay as equals the amount charged to the veteran for the veteran's current care and maintenance in the institution in which treatment or care is furnished the veteran, but not more than the amount determined by the Secretary to be the proper charge as fixed by any applicable statute or valid administrative regulation.

(3) All or any part of the pension, compensation, or retirement pay payable on account of any incompetent veteran who is being furnished hospital treatment, institutional or domiciliary care may, in the discretion of the Secretary, be paid to the chief officer of the institution wherein the veteran is being furnished such treatment or care, to be properly accounted for by such chief officer and to be used for the benefit of the veteran.

(c) Any veteran subject to the provisions of subsection (b) shall be deemed to be single and without dependents in the absence of satisfactory evidence to the contrary. In no event shall increased compensation, pension, or retirement pay of such veteran be granted for any period more than one year before receipt of satisfactory evidence showing such veteran has a spouse, child, or dependent parent.

(d) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which the veteran is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

(e) Where any veteran in receipt of an aid and attendance allowance described in section 1114(r) of this title is hospitalized at Government expense, such allowance shall be discontinued from the first day of the second calendar month which begins after the date of the veteran's admission for such hospitalization for so long as such hospitalization continues. Any discontinuance required by administrative regulation, during hospitalization of a veteran by the Department, of increased pension based on need of regular aid and attendance or additional compensation based on need of regular aid and attendance as described in subsection (l) or (m) of section 1114 of this title, shall not be effective earlier than the first day of the second calendar month which begins after the date of the veterans' admission for hospitalization. (3) No person or entity to whom a record or document has been disclosed under this subsection shall make further disclosure of such record or document except for a purpose provided in this subsection.

(4) Nothing in this section shall be construed as authority to withhold any record or document from a committee of either House of Congress or any joint committee of Congress, if such record or document pertains to any matter within the jurisdiction of such committee or joint committee.

§ 5904. Recognition of agents and attorneys generally

(a) The Secretary may recognize any individual as an agent or attorney for the preparation, presentation, and prosecution of claims under laws administered by the Secretary. The Secretary may require that individuals, before being recognized under this section, show that they are of good moral character and in good repute, are qualified to render claimants valuable service, and otherwise are competent to assist claimants in presenting claims.

(b) The Secretary, after notice and opportunity for a hearing, may suspend or exclude from further practice before the Department any agent or attorney recognized under this section if the Secretary finds that such agent or attorney—

- (1) has engaged in any unlawful, unprofessional, or dishonest practice;
- (2) has been guilty of disreputable conduct;
- (3) is incompetent;
- (4) has violated or refused to comply with any of the laws administered by the Secretary, or with any of the regulations or instructions governing practice before the Department; or
- (5) has in any manner deceived, misled, or threatened any actual or prospective claimant.

(c)(1) Except as provided in paragraph (3), in connection with a proceeding before the Department with respect to benefits under laws administered by the Secretary, a fee may not be charged, allowed, or paid for services of agents and attorneys with respect to services provided before the date on which the Board of Veterans' Appeals first makes a final decision in the case. Such a fee may be charged, allowed, or paid in the case of services provided after such date only if an agent or attorney is retained with respect to such case before the end of the one-year period beginning on that date. The limitation in the preceding sentence does not apply to services provided with respect to proceedings before a court.

(2) A person who, acting as agent or attorney in a case referred to in paragraph (1) of this subsection, represents a person before the Department or the Board of Veterans' Appeals after the Board first makes a final decision in the case shall file a copy of any fee agreement between them with the Board at such time as may be specified by the Board. The Board, upon its own motion or the request of either party, may review such a fee agreement and may order a reduction in the fee called for in the agreement if the Board finds that the fee is excessive or unreasonable. A finding or order of the Board under the preceding sentence may be reviewed by the United States Court of Veterans Appeals under section 7263(d) of this title.

(3) A reasonable fee may be charged or paid in connection with any proceeding before the Department in a case arising out of a loan made,

guaranteed, or insured under chapter 37 of this title. A person who charges a fee under this paragraph shall enter into a written agreement with the person represented and shall file a copy of the fee agreement with the Secretary at such time, and in such manner, as may be specified by the Secretary.

(d)(1) When a claimant and an attorney have entered into a fee agreement described in paragraph (2) of this subsection, the total fee payable to the attorney may not exceed 20 percent of the total amount of any past-due benefits awarded on the basis of the claim.

(2)(A) A fee agreement referred to in paragraph (1) is one under which the total amount of the fee payable to the attorney—

(i) is to be paid to the attorney by the Secretary directly from any past-due benefits awarded on the basis of the claim; and

(ii) is contingent on whether or not the matter is resolved in a manner favorable to the claimant.

(B) For purposes of subparagraph (A) of this paragraph, a claim shall be considered to have been resolved in a manner favorable to the claimant if all or any part of the relief sought is granted.

(3) To the extent that past-due benefits are awarded in any proceeding before the Secretary, the Board of Veterans' Appeals, or the United States Court of Veterans Appeals, the Secretary may direct that payment of any attorneys' fee under a fee arrangement described in paragraph (1) of this subsection be made out of such past-due benefits. In no event may the Secretary withhold for the purpose of such payment any portion of benefits payable for a period after the date of the final decision of the Secretary, the Board of Veterans' Appeals, or Court of Veterans Appeals making (or ordering the making of) the award.
